13/154 Accounts for Approval

It was proposed by Cllr Turner, seconded Cllr Sinkins and RESOLVED that accounts to the value of £643.59 be approved.

13/155 Purchase of a Defibrillator for Lanlivery

Cllr Sinkins reported that she had costed the FLEET defibrillator and it would be just over £3000.00 but that one could be obtained for only £1550.00 from the Ronnie Richards Memorial Charity. PCSO Natalie Phillips had been running a project in Lostwithiel and, working with Paul Richards from the RRMCC, she had already purchased one for the town, with a second on order and almost enough funding for a third. Paul Richards had worked hard with the suppliers to get the defibs and cabinets at a discounted price and Natalie would be more than happy to help Lanlivery obtain one. Paul Williams has collection boxes out towards ongoing costs and if a cabinet is vandalised Paul will arrange repair the following day for approx £100.00. He can also arrange training at £35.00 per person. Cllr Sinkins confirmed that there would be public access to the cabinet.

Cllr Sinkins understood that Norman Trebilcock from FLEET was running the London marathon to supply a defib for Lanlivery but if he did so it must be purchased from FLEET. He had chosen Lanlivery as he has an association with the Rally and apparently the Rally has earmarked funds to sponsor him. He would also be looking for £1000 from the parish council, plus £300 per year maintenance costs.

It was agreed that Cllr Haley would speak to Diane Williams to ascertain the Rally's position and Cllr Sinkins would speak to Natalie and a FLEET representative and invite them to attend the Annual Parish Meeting.

13/156 To receive the Report from the parish council representative on the Fowey, St Blaise and Lostwithiel Community Network Panel

Cllr Sinkins reported that at the last meeting

- There had been a talk from the mobile library service. There was a plan out to consultation to stop the service altogether and to expand the WRVS service to replace it.
- There had also been a talk from Cornwall Development Company; a new tranche of EC money had been released.
- The Network was investigating the possibility of securing a grant to set up services such as toilet cleaning
