13/63 Footpath 406/5/1

The Clerk reported that Cllr Christophers had walked the path earlier in the day and had found it to be in a satisfactory condition and not in need of clearance. The adjoining Saints Way, however, was in a terrible state and needed urgent attention. The Clerk had reported this to Cornwall Council; Cllr Bay also agreed to follow up.

13/64 To receive reports from Parish Councillors

Cllr Turner noted that details about school activities were available on the school website www.lanliveryprimaryschool.moonfruit.com

13/65 Planning

PA13/06439. Proposed day room on site in location of existing mobile home to be moved. Little Tredinnick, Tredinnick Pits. It was proposed by Cllr Sinkins, seconded Cllr Turner and RESOLVED that a recommendation of objection should be made to Cornwall Council. *Reason: 1. The original*

planning consent, which was granted subject to the applicant's 'traveller' status, contained a condition prohibiting further development on the site. 2. The description of the proposal was 'replacement of an existing mobile home with a dayroom' which was misleading as the Design & Access statement states that the proposed dayroom is in addition to the existing mobile home. 3. There is no justification for the retention of the existing mobile home and the construction of an additional, essentially permanent building on the site – at 3.5 in the Design & Access Statement it is stated that 'the applicant and his family will live in the existing mobile home' but at 6.5 it states that 'the existing mobile home is not weathertight,' which is contradictory. 4. Approval of this application would create an unacceptable precedent in this rural location.

Appeals - None.
