The Parish Clerk confirmed that the 2025/2026 audit had completed and that she had posted the relevant documentation on the notice board and the website. The auditor had noted the following points

The authorities reserves appear to be excessive as after accounting for earmarked reserves general reserves are greater than net revenue expenditure. The smaller authority should ensure it has regard to the level reserves when calculating precept requests.

The authority has disclosed that it did not comply with governance assertions but has provided the auditor with an adequate explanation and details of actions taken to address this.
